You are talking about a letter agreement with you?  
Do you still have the numbers I worked out and should we not use ethose?

Looks like I may need your support in getting Steven to focus and get this done.  
He has promised to have the term sheet to me at least 4 times and not followed thru.  
If you prefer, I will put more pressure on him myself but since you offered to help if needed,  
I thought I'd ask...

John and David,

These documents should be good to go if you want to send to prospective investors interested in the Ecuador matter.

Let me know if any additional tweaks are necessary as you read this.

Best, Steven
